

## Frequently Asked Questions Regarding Soccer Photos

### *How can I see my pictures?*

Soccer Photos will be posted online sometime between Aug 15-17. To view your photos type in [www.BHSbobcats.com/photos/lastname/lastname.html](http://www.BHSbobcats.com/photos/lastname/lastname.html) EXCEPT instead of *last name*, type in the player's last name twice separated with a forward slash as shown. This page will not be active until August 15th.

### *How much do the pictures cost?*

Order Forms with price lists can be found at <http://www.bhsbobcats.com/forms/photoOrder.pdf> You can complete the order form and hand to me at the complex or at the high school OR you may just email me the photo numbers/sizes you wish to purchase. You (your player) can drop payment by my house (524 Summit Pass), hand it to me at the complex or the high school.

### *Do I have to pay a shipping fee?*

When completing the Order Form, you do not have to pay the shipping/delivery fee if picking up your photos from me. I can also give your photos to your player at the high school.

### *What about action shots?*

I also take Action Shots throughout the season. If you are interested in having a Memory Collage or having your player photographed during a game, please let me know. There is no fee for this request. I generally post these photos within a week after the game. They can be found at <http://www.bhsbobcats.com/photos.html>.

### *Can you print other photoproducts?*

If you have a special request, please don't hesitate to call at 690.5753 or email [jayne.heier@mchsi.com](mailto:jayne.heier@mchsi.com).

### *When do I have to have my order in?*

I fill orders on fall soccer pictures through the end of Oct; however, if interested in a photo button or tag to use during the season, I would suggest placing those orders ASAP (they take about 1 week to complete).

Thanks, Jayne
